To Whom It May Concern

I am pleased to recommend **Laiba Tauseef**, who interned with Realz Solutions from **Sep 15, 2024**, to **Dec 15, 2024**. During her time with us, Laiba demonstrated exceptional web development skills, efficiently working with technologies such as **JavaScript, React,** and **Node.js** to build and enhance various web-based applications.

Laiba successfully contributed to the development of user-friendly interfaces and efficient back-end systems, ensuring seamless functionality and performance. Her ability to solve complex coding challenges, optimize applications for scalability, and collaborate with team members made her an invaluable asset to our development projects.

Laiba's quick learning, adaptability, and strong problem-solving skills were a true asset to our team, and I am confident she will bring the same level of dedication and expertise to any future role.

Sincerely,

Tahir Zaman
